Business, in the company's words

opening of Item 1 of the 10-K received Mar 19, 2026

We are a vertically integrated health intelligence platform with a mission to power the behavior changes that drive better health. Unlike software-only digital health platforms, Dario owns the complete chain of value in chronic care management - connected FDA-cleared hardware devices that generate continuous physiological data, AI built on that proprietary data, and a behavior change and coaching layer validated through over 100 peer-reviewed clinical studies. We are committed to transforming healthcare by delivering a comprehensive and highly engaging whole-person health platform, which enables us to create a future where healthy change is effortless and accessible to all.
