Business, in the company's words

opening of Item 1 of the 10-K received Feb 3, 2026

We continue to monitor these legislative developments and evaluate their impacts on us and whether any changes to our business practices and operations are necessary in order to comply with such legislative reforms. However, we cannot accurately predict the ultimate impact of such legislative developments on our business or whether additional changes in regulatory policies will occur in the future. We have experienced, and may continue to experience, delays in launches of our new generic products.
