Business, in the company's words

opening of Item 1 of the 10-K received Jun 15, 2026

We believe in the power of a plant - not as a trend or commodity, but as a catalyst for elevating human potential. For the patient seeking to function more fully in their everyday lives, the veteran finding relief, and the individual rediscovering balance, clarity, and purpose. We believe that, with responsible enjoyment, cannabis can enrich experiences, deepen connection, and enhance well-being. Cannabis is a global economic force in the making. We believe it will stand alongside - and eventually rival - the largest consumer packaged goods industries in the world.
