## Business, in the company's words

*opening of Item 1 of the 10-K received Feb 24, 2026*

; Government Regulation" above for a summary of certain regulations to which we are subject. Regulatory changes and uncertainty could result in restrictions on our ability to carry on or expand our operations, higher than anticipated costs or lower than anticipated sales. The processes by which 510(k) clearance, grant of a de novo classification request, or PMA approval is obtained can be expensive and lengthy and require the payment of significant fees. The FDA's 510(k) clearance process usually takes from three to twelve months, but may last longer.
