Business, in the company's words

opening of Item 1 of the 10-K received Feb 26, 2026

From October 1, 2025 through November 11, 2025 the U.S. government was shut down because Congress was unable to pass legislation providing appropriations authority for the government to continue to operate. Subsequent to the U.S. government shutdown starting on October 1, 2025, we experienced delays in project execution, collection of payments and contract awards. On November 12, 2025, a continuing resolution funding measure was enacted to finance all U.S. government activities through January 30, 2026. On February 3, 2026, the Consolidated Appropriations Act of 2026 was passed, which finalized defense appropriations for fiscal year 2026.
