Business, in the company's words

opening of Item 1 of the 10-K received Jan 23, 2026

We are a global designer and manufacturer of semiconductor products. The CPUs and other semiconductor solutions that we design, manufacture, market, sell and service are incorporated in computing and related end products and services, and utilized globally by consumers, enterprises, governments and educational organizations. Our customers primarily include OEMs, ODMs, CSPs, and other manufacturers and service providers, such as industrial and communication equipment manufacturers. We market and sell our products through a combination of direct sales through our global sales organization and indirect channels, including distributors, resellers, retailers and OEM partners.
