Business, in the company's words

opening of Item 1 of the 10-K received Feb 13, 2026

These initiatives may not be substantially completed in the expected timeframe, may be more costly to implement than expected, or may not fully achieve the anticipated cost savings. Such initiatives involve a significant amount of capital expenditures, organizational change and execution risk, which could have a negative impact on employee engagement, divert management's attention from other initiatives, and if not properly managed, impact the Company's ability to retain key employees, cause disruptions in the Company's day-to-day operations and have a negative impact on the Company's financial results.
