Business, in the company's words

opening of Item 1 of the 10-K received Oct 8, 2025

in the State of Nevada. We operate through Advanced Biomed Taiwan and Advanced Biomed HK. Advanced Biomed Taiwan is responsible for the main operation and the design and development of the company's primary technologies and products. Since our establishment in 2014, we have been focusing on the integration of multiple interdisciplinary technologies and established our own microfluidic technology platform. Utilizing the physical and molecular biological characteristics of tumor cells, we have developed various advanced and original research through the joint application of semiconductor technology and biotechnology.
