Business, in the company's words

opening of Item 1 of the 10-K received Jul 27, 2026

We are a technology-enabled research organization engaged in creating technology solutions to be utilized in drug discovery and development. Our research center operates in both regulatory and non-regulatory environments and consists of a comprehensive set of computational and experimental research platforms. Our pharmacology, biomarker, and data platforms are designed to facilitate drug discovery and development at lower costs and increased speeds. At the core of our research platforms is our unique, proprietary bank of Patient Derived Xenograft (PDX) models.
