Business, in the company's words

opening of Item 1 of the 10-K received Mar 20, 2026

We are a provider of logistics and warehousing services, historically in connection with the sale of parallel-import vehicles sourced in the U.S. to be sold in the PRC market, and more recently for the transportation of other goods between the U.S. and the PRC. Parallel-import vehicles in the PRC refer to automobiles purchased directly from overseas markets and imported for sale outside of the brand manufacturers' official distribution networks. Between 2016 and the first half of 2022, we experienced growth in sales volume and gross profit in the parallel-import vehicle business due to favorable market conditions.
