Business, in the company's words

opening of Item 1 of the 10-K received Mar 30, 2026

are an artificial intelligence (A.I.) focused company dedicated to developing cancer therapies and transforming the cost, pace, and timeline of oncology drug discovery and development. Our development portfolio includes three clinical stage oncology focused product candidates and consists of small molecules that others have tried, but failed, to develop into an approved commercialized drug, as well as new compounds that we are developing with the assistance of our proprietary A.I. platform and our biomarker driven approach. Our A.I.
