Business, in the company's words

opening of Item 1 of the 10-K received Feb 13, 2026

- Competition for further discussion of competition in our industry. If we are unable to acquire and successfully integrate new dealerships into our business, the growth of our revenues and earnings could be adversely affected. Growth in our revenues and earnings partially depends on our ability to acquire new dealerships and successfully integrate those dealerships into our existing operations. We cannot guarantee that we will be able to identify and acquire dealerships in the future. In addition, we cannot guarantee that any acquisitions will be successful or on terms and conditions consistent with past acquisitions.
