Star Group, L.P. ("Star" the "Company," "we," "us," or "our") is a home heating oil and propane distributor and services provider with one reportable operating segment that principally provides heating related services to residential and commercial customers. Our unitholders voted in favor of proposals to have the Company elect to be treated as a corporation, instead of a partnership, for federal income tax purposes (commonly referred to as a "check-the-box election"), along with amendments to our partnership agreement to effect such changes in income tax classification, in each case effective November 1, 2017.
