Business, in the company's words

opening of Item 1 of the 10-K received Feb 24, 2026

, we launched our loyalty program, Portillo's Perks? ("Perks"), and opened eight new restaurants, including our first location in Georgia and our first in-line restaurant. In September 2025, the Company announced a strategic reset to its development strategy, following disappointing results from new market expansion, particularly in Texas. Going forward, we plan to enter new markets more gradually, tapping into the pent up demand from Portillo's fans across the country, but recognizing that it takes time to build awareness and adoption among consumers who are not yet familiar with the brand. Instead of rapidly building out markets, as we did in Dallas-Ft.
