Business, in the company's words

opening of Item 1 of the 10-K received Feb 25, 2026

Our principal business is owning and operating, through our subsidiaries, acute care hospitals and outpatient facilities and behavioral health care facilities. As of February 25, 2026, we owned and/or operated 375 inpatient facilities and 168 outpatient and other facilities located in 40 states, Washington, D.C., the United Kingdom and Puerto Rico. We have changed the method of our outpatient behavioral health care facility counts during the third quarter of 2025 and substantially all of the increase from prior periods is related to that change in convention.
