Business, in the company's words

opening of Item 1 of the 10-K received Mar 16, 2026

We are a globally-focused energy technologies provider with nearly 160 years of experience providing diversified energy and emissions control solutions to a broad range of industrial, electrical utility, municipal and other customers. We support global energy needs and baseload power demand by providing advanced technologies that utilize coal, natural gas, hydrogen, waste and biomass to produce energy, environmental solutions and carbon capture systems. Our proven platforms help utilities, data centers, oil and gas, and other industries meet rising demand, while our comprehensive aftermarket services keep existing power plants operating efficiently.
