## Business, in the company's words

*opening of Item 1 of the 10-K received Feb 27, 2026*

The increasing number of competitive products and limited amount of shelf space in retail stores, including in beverage coolers, may adversely impact our ability to gain or maintain our share of sales in the marketplace. In addition, certain actions of our competitors, including unsubstantiated and/or misleading claims, false advertising claims and tortious interference in our business, as well as competitors selling misbranded products, could impact our sales. Competitive pressures in the energy drink category could impact our revenues, cause price erosion and/or lower our market share, any of which could have a material adverse effect on our business and results of operations.
