Business, in the company's words

opening of Item 1 of the 10-K received Mar 4, 2026

We are an enterprise real estate technology company that provides a comprehensive management platform designed for property owners, managers and residents. Our suite of products and services, which includes cloud-based software-as-a-service ("SaaS") solutions many of which are enabled by smart building hardware, provide seamless visibility and control over real estate assets. Our platform can lower operating costs, increase revenues, mitigate operational friction and protect assets for owners and operators, while providing a differentiated, elevated living experience for residents.
