Business, in the company's words

opening of Item 1 of the 10-K received Mar 6, 2026

We started in 1999 with the simple idea that, if we could publish intelligent, independent, insightful, and in-depth investment research and treat the subscriber the way we would want to be treated, then subscribers would renew their subscriptions and stay with us. That simple idea worked and has guided our decisions ever since. Today, we are a leading multi-brand platform of subscription businesses that provides premium financial research, software, education, and tools for self-directed investors. We provide our subscribers with the research, education, and tools that they need to navigate the financial markets. We have evolved significantly since our inception in 1999.
