Business, in the company's words

opening of Item 1 of the 10-K received May 27, 2026

American Superconductor Corporation (together with its subsidiaries, "AMSC®" or the "Company") was founded on April 9, 1987. At AMSC, we believe that our creativity can meet today's challenges and help us progress to a better future. That means using future-facing technologies to harmonize the world's desire for sustainable progress with the need for more reliable, effective and efficient power delivery. Already, our transformative power solutions are moving the world forward. We design, develop, and deploy power control solutions that harmonize an increasingly complex energy system, helping our customers scale without added complexity or size.
