Business, in the company's words

opening of Item 1 of the 10-K received Mar 17, 2026

We are a commercial-stage medical device company, incorporated in 1998 as a Delaware corporation, that develops and commercializes integrated systems used in minimally invasive neurosurgical procedures in the brain. From our inception in 1998, we have deployed significant resources to fund our efforts to develop the foundational capabilities for enabling magnetic resonance imaging ("MRI") guided interventions, building an intellectual property portfolio, and identifying and building out commercial applications for the technologies we develop.
