Business, in the company's words

opening of Item 1 of the 10-K received Mar 31, 2026

in 2005, Greenlane is a public company whose primary strategic focus is a digital asset treasury strategy centered on BERA. We also continue to operate a reduced-scale wholesale and distribution business through an asset-light drop-ship model. October 2025, we undertook a substantial strategic transition from a traditional wholesale and distribution operating model to a digital asset treasury strategy centered on BERA, the native digital asset of the layer-1 blockchain protocol known as Berachain ("Berachain").
