Business, in the company's words

opening of Item 1 of the 10-K received Feb 12, 2026

William Russell Kelly pioneered the staffing industry when he founded Kelly® in 1946 and we've been reinventing it ever since. Our inception helped usher in and embolden a workforce of women who kept the economy moving forward during World War II, opening doors and creating completely new opportunities. Over the next 79 years, as work evolved, Kelly continued to equip people with the skills to master new technologies as they emerged and the opportunity to put them to work in ways that enriched their lives. As the world of work has evolved, so have our offerings to reflect the changing needs of employers and talent.
