Business, in the company's words

opening of Item 1 of the 10-K received Feb 27, 2026

With more than 5.22 billion global users consuming and sharing billions of posts per day, social media has fundamentally changed the customer experience and the way the world communicates. Social media has become mission-critical to the way organizations reach, engage and understand their target audience and customers. Billions of users are sharing their interests, opinions and values with their social networks every day and are using social media to communicate with and about businesses, organizations and causes on an unprecedented scale.
