Business, in the company's words

opening of Item 1 of the 10-K received Feb 17, 2026

We are a leading global manufacturer of technology products, including mission systems, RF components, RF microwave/microelectronic assemblies, and technologically advanced interconnect products, including PCBs and substrates. In 2025, we generated approximately $2.9 billion in net sales and ended the year with approximately 18,200 employees worldwide. We currently operate a total of 24 specialized facilities in North America and Asia. We focus on providing time-to-market and volume production of advanced technology products and offer a one-stop design, engineering, and manufacturing solution to our customers.
