Reservoir Media, Inc., together with its wholly-owned subsidiaries (the "Company", "we", "our", "us" and "Reservoir"), is one of the world's leading independent music companies. We operate a music publishing business, a recorded music business, and a management business. We have two reportable segments-Music Publishing and Recorded Music. We represent copyrights and master recordings dating back as far as the early 1900s through today, with hundreds of #1 releases worldwide. Our growth has been partially based on Music Publishing and Recorded Music catalog acquisitions as well as a strategic expansion of our writer and artist rosters.
