Business, in the company's words

opening of Item 1 of the 10-K received Feb 19, 2026

We are a leading precision oncology company focused on guarding wellness and giving every person more time free from cancer. We are transforming patient care by providing critical insights into what drives disease through our advanced blood and tissue tests, real-world data and AI analytics. Our tests help improve outcomes across all stages of care, including screening to find cancer early, monitoring for recurrence in early-stage cancer, and treatment selection for patients with advanced cancer.
