Business, in the company's words

opening of Item 1 of the 10-K received Feb 12, 2026

-Materials," our manufacturing and other operations employ a wide variety of components, raw materials and other commodities, including metallic-based components, electronic components, chemicals, and plastics. Prices for and availability of these components, raw materials and other commodities have fluctuated significantly in the past. Any sustained interruption in the supply of these items, including as a result of shipping risks, such as container shortages, blocked shipping lanes, and port backlogs, could adversely affect our business.
