Business, in the company's words

opening of Item 1 of the 10-K received Mar 27, 2026

- Government Regulation and Environmental Matters" in this Annual Report. The Company, its subsidiaries, and the MCs also could incur significant costs associated with civil or criminal fines and penalties for failure to comply with such laws and regulations. Environmental and social laws and regulations have tended to become increasingly stringent. There has been increased global focus on environmental and social issues and it is possible that countries may potentially adopt more stringent standards or new regulations in these areas. To the extent regulatory changes occur in the future, they could result in, among other things, increased costs to the Company, its subsidiaries, and the MCs.
