Business, in the company's words

opening of Item 1 of the 10-K received Jul 30, 2026

We are one of North America's premier value-added metals processors with the ability to provide a diversified range of products and services that span a variety of end markets. We maintain market-leading positions in the North American carbon flat-rolled steel and tailor welded blank industries and are one of the largest global producers of electrical steel laminations. For over 70 years, we have been delivering high-quality steel processing capabilities across a variety of end markets including automotive, heavy truck, agriculture, construction, and energy.
