Incorporated in 1991, OpenText is a leading provider of data management for enterprise AI. We are Canadian in our roots and global in our reach. We provide the secure data foundation in the AI stack, the trusted context that makes credible AI outcomes possible. We give clients the choice to transform and operate at their best: deployment on-premise or in the cloud, with the type of cloud they need, public, private or sovereign, and to integrate with any enterprise-grade language model. We operate across the private, public, and highly regulated sectors including retail, financial services, government, manufacturing, healthcare, energy, and logistics.
