Business, in the company's words

opening of Item 1 of the 10-K received Mar 9, 2026

We are a biopharmaceutical company focused on developing and commercializing novel therapies for neurological disorders with significant unmet medical need. We have a diverse portfolio of product candidates aimed at addressing diseases with high unmet medical need and clear biology for treatment, for which there are either no approved therapies treating the underlying disease or suboptimal treatment options. We were founded in April 2016 and are led by a management team experienced in the development and commercialization of groundbreaking therapeutics. Seek regulatory approval and maximize the U.S. commercial potential of TA-ERT for the treatment of MPS IIIB. We intend to seek U.S.
