Business, in the company's words

opening of Item 1 of the 10-K received Aug 19, 2026

of this document for additional information about our business and operational strategies. Geopolitical tensions and broader macroeconomic pressures have led, and in the future may lead, to wage inflation, staffing challenges, product cost inflation (inclusive of tariffs), and/or supply chain disruptions. We may also experience supply chain disruptions resulting from adverse weather conditions, climate change, or other catastrophic events beyond our control. These events may impact our ability to obtain the products needed to support our operation and/or negatively affect consumer spending potentially reducing guest traffic and/or reducing the average amount guests spend in our restaurants.
