Business, in the company's words

opening of Item 1 of the 10-K received Feb 27, 2026

Excelerate, a Delaware corporation incorporated in 2021, was formed as a holding company to own, as its sole material asset, a controlling equity interest in Excelerate Energy Limited Partnership ("EELP"), a Delaware limited partnership formed in 2003 by George B. Kaiser (together with his affiliates other than the Company, "Kaiser"). Since April 2022 and in conjunction with its initial public offering (the "IPO"), Excelerate operates and controls all of EELP's business and affairs. As a result, we consolidate the financial results of EELP and report non-controlling interests related to the interests held by the other partners of EELP in our consolidated financial statements.
