Business, in the company's words

opening of Item 1 of the 10-K received Feb 17, 2026

- Introduction for information on the average, high, and low daily closing prices for silver, gold, lead, zinc and copper for the last three years. On February 12, 2026, the closing prices for silver, gold, lead, zinc and copper were $83.52 per ounce, $5,043.15 per ounce, $0.88 per pound, $1.54 per pound, and $5.80 per pound, respectively. An extended decline in metals prices, an increase in operating or capital costs or treatment charges, mine accidents or closures, increasing regulatory obligations, or our inability to convert resources or exploration targets to reserves may cause us to record write-downs, which could negatively impact our results of operations.
