opening of Item 1 of the 10-K received Sep 9, 2026

InnovAge is the leading healthcare delivery platform by number of participants focused on providing all-inclusive, capitated care to high-cost, seniors, many of whom are dual-eligible. Our programs are designed to address two of the most pressing challenges facing the U.S. healthcare industry: rising costs and poor outcomes. The purpose of our participant-centered care delivery approach is to improve the quality of care our participants receive, while keeping them in their homes for as long as safely possible and reducing over-utilization of high-cost care settings such as hospitals and nursing homes.
