Business, in the company's words

opening of Item 1 of the 10-K received Mar 6, 2026

Our mission is to bend the curve. Our hope is that, one day, tomorrow's epidemiologists will notice a bend in disease curves, wonder what might be happening, and conclude that part of that impact has been Omada. As part of that mission, we strive to inspire and enable people to make lasting health changes on their own terms. We deliver virtual care between doctor's visits, providing an engaging, personalized, and integrated experience for the individuals in our programs, which we call our "members.
