Business, in the company's words

opening of Item 1 of the 10-K received Mar 17, 2026

We operate in the oil and gas industry and execute on a three-pronged strategy involving (i) direct drilling operations of operated working interests, (ii) the acquisition of royalty assets, and (iii) the acquisition of non-operated working interest assets for the purpose of exploration, development, production, and sale of crude oil, natural gas, natural gas liquids, and other byproducts through PhoenixOp, Firebird Services, and Firebird Marketing. Our direct drilling operations are currently primarily focused on development efforts in the Williston Basin in North Dakota and Montana and the Powder River and Denver-Julesburg Basins in Wyoming.
