Business, in the company's words

opening of Item 1 of the 10-K received Mar 31, 2026

We are a water solutions provider with a unique combination of land, water, pipeline and water filtration assets located in Southern California between major water systems serving population centers in the Southwestern United States. Our portfolio of assets includes 2.5 million acre-feet of permitted water supply, 1 million acre-feet of groundwater storage capacity, 220 miles of existing, underground pipeline, 43 miles of right-of-way entitlements for pipeline construction, and versatile, scalable and cost-effective water filtration technology that removes contaminants and constituents of concern from groundwater.
