Business, in the company's words

opening of Item 1 of the 10-K received Feb 25, 2026

- Backlog" for a discussion on how we calculate backlog for our business. Our insurance has limits and exclusions that may not fully indemnify us against certain claims or losses, including claims resulting from wildfires or other natural disasters and an increase in cost, or the unavailability or cancellation of third-party insurance coverages would increase our overall risk exposure and could disrupt our operations and reduce our profitability. We maintain insurance coverages from third party insurers as part of our overall risk management strategy and most of our customer contracts require us to maintain specific insurance coverage limits.
