Business, in the company's words

opening of Item 1 of the 10-K received Feb 26, 2026

Sonoco Products Company ("Sonoco," "the Company," "we," "us," or "our") is a South Carolina corporation founded in Hartsville, South Carolina, in 1899 as the Southern Novelty Company with the guiding principle that People Build Businesses by doing the right things. At its beginnings in 1899, a team of 12 people worked from a rented warehouse to produce the Company's first product, a cone-shaped paper yarn carrier used for winding and transporting yarn. Since most of the textile cones of that day were wooden, paper cones were a novelty. The Company soon became the leading producer of cones in the United States.
