Business, in the company's words

opening of Item 1 of the 10-K received Mar 25, 2026

To forge vibrant connections between people and the brands they love, fueled by a community that inspires and technology that lights the way. Braze is a leading customer engagement platform that empowers brands to Be Absolutely Engaging. Customer Engagement is an emerging category of business activity and software which we define as the full set of activities that companies use to build and maintain direct, meaningful relationships with their customers. Our platform brings together rich, first-party context, transforms that context with composable intelligence (models, agents, and operators), and delivers continuous, and personally relevant interactions across channels.
