Business, in the company's words

opening of Item 1 of the 10-K received Feb 20, 2026

Our success depends on key executive officers and personnel and our ability to attract and retain employees. Our success depends on the efforts and abilities of our executive officers and other key employees, many of whom have significant experience in the gaming industry, including, but not limited to, Frank J. Fertitta III, our Chairman of the Board and Chief Executive Officer. Competition for qualified personnel in our industry is intense, and it would be difficult for us to find experienced personnel to replace our current executive officers and employees.
