Business, in the company's words

opening of Item 1 of the 10-K received Feb 25, 2026

We are a global provider of secure application and network infrastructure solutions that enable enterprises and service providers to deliver high-performance, reliable, and protected digital services across on-premises, hybrid cloud, and distributed environments. Our solutions are designed to operate in mission-critical environments where availability, scalability, low latency, and security are essential. We provide integrated capabilities spanning application delivery, traffic management, distributed denial of service ("DDoS") protection, application and application programming interfaces ("API") security, and centralized management.
