Business, in the company's words

opening of Item 1 of the 10-K received Mar 2, 2026

We are an independent energy and carbon management company advancing the energy transition. We are committed to environmental stewardship while safely providing local, responsibly sourced energy. We are also focused on maximizing the value of our land, mineral ownership, and energy expertise for decarbonization by developing carbon capture and storage (CCS) and other emissions reducing projects. Our business is organized into two reporting segments: oil and natural gas and carbon management. Our oil and natural gas segment explores for, develops and produces crude oil and condensate, natural gas liquids and natural gas in major producing basins located in California and Utah.
