Ennis, Inc. (collectively with its subsidiaries, the "Company," "Registrant," "Ennis," or "we," "us," or "our") was organized under the laws of Texas in 1909. Ennis is primarily a "trade printer" that manufactures a broad range of printed products that are resold throughout the United States through a network of independent distributors. This distributor channel encompasses independent print distributors, commercial printers, direct mail, fulfillment companies, payroll and accounts payable software companies, and advertising agencies, among others. We also sell products to many of our competitors to satisfy their customers' needs.
