Business, in the company's words

opening of Item 1 of the 10-K received Feb 20, 2026

Dropbox, Inc. (the "Company", "we", or "us") is the one place to keep life organized and keep work moving. We were founded in 2007 with a simple idea: Life would be a lot better if everyone could access their most important information anytime from any device. We've largely accomplished that mission by building tools to help people work from anywhere-and along the way we recognized that for most of our users, sharing and collaborating on the Dropbox, Inc. platform ("Dropbox") was even more valuable than storing files. Our market opportunity grew as we've expanded from keeping files in sync to keeping teams in sync.
