Business, in the company's words

opening of Item 1 of the 10-K received Feb 25, 2026

Xylem is a leading global water technology company with 2025 revenues of $9.0 billion and approximately 22,000 employees worldwide. We design, manufacture and service engineered products and solutions across a wide variety of critical applications, primarily in the water sector. Our broad portfolio of products, services and solutions addresses customer needs of scarcity, resilience, quality, and affordability across the water cycle, from the delivery, treatment, measurement and use of drinking water, to the collection, testing, analysis and treatment of wastewater, to the return of water to the environment.
