Business, in the company's words

opening of Item 1 of the 10-K received Mar 30, 2026

strategic focus on developing innovative products and services that serve growing consumer health and technology markets. Throughout our operating history, we have maintained our corporate identity, management team and original mission while strategically evolving our business in response to market conditions and commercial opportunities, with each such evolution being the product of deliberate decisions. We are actively seeking complementary bolt-on AI acquisitions that could generate near-term revenue to supplement our current operations as both segments continue to develop.
