## Business, in the company's words

*opening of Item 1 of the 10-K received Mar 19, 2026*

We may not anticipate all of the challenges imposed by the expansion of our business operations into new geographic markets. Some new stores may be located in areas with different competitive and market conditions, customer demographics and tastes, and discretionary spending patterns than our existing markets. We may face a higher cost of entry, difficulties attracting labor, alternative customer demands, reduced brand recognition, and minimal operating experience in these geographic markets.
